

PULLMAN BARCELONA SKIPPER

Sometimes it's for business and sometimes it's just pleasure. The Hotel Pullman Barcelona Skipper combines both concepts to make them live on in your memory.

A BALCONY ON THE MEDITERRANEAN

Just 50 metres from the Barceloneta beach there is a unique, cosmopolitan, impeccably designed hotel: the Hotel Pullman Barcelona Skipper. Ideally situated less than 10 minutes from the city centre and the Barcelona International Convention Centre and just 12km from the airport, it is the perfect base for exploring the city of Barcelona.

DESIGN AND TECHNOLOGY

The impeccable setting of contemporary design, the decoration and the colour scheme of the hotel blend in perfectly with the warm Mediterranean light streaming in through its expanses of glass, inviting you to share unforgettable moments in the right company. This quiet, convivial atmosphere goes perfectly with the latest technology, placed at your disposal by the hotel.

HIGHLIGHTS OF THE HOTEL

The Atic roof terrace offers fine views of the Barceloneta beach, less than 50 metres from the hotel.

Working, exercising, enjoying a massage or simply taking in the views from the terrace.

After a long day of meetings, enjoy the unique Barcelona night.
